2019 MERCEDES AMG G-63

HISTORY

Based on the legendary Mercedes Benz G-Class, the 2019 AMG G63 pushes the performance agenda even further and adds exclusive styling bits inside and out. Although the G-wagen was completely redesigned for the first time in years, its iconic design has been expertly preserved and carefully evolved.

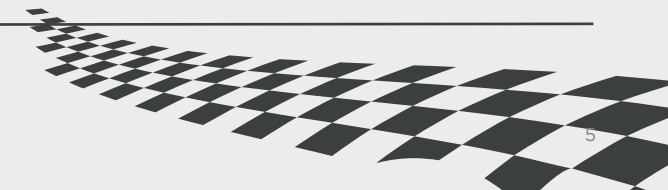

2019 MERCEDES AMG G-63

ENGINE

The 2019 Mercedes-AMG G63 still has the incredible off-road capability and trail-ready equipment found on the Mercedes-Benz G550, but it also has a more powerful twin-turbo 4.0-liter V-8 that makes 577 horsepower and 627 lb-ft of torque.

A nine-speed automatic gearbox with steering-wheel-mounted paddle shifters sends all that power to the all-wheel-drive system that prioritizes rear traction for better handling and acceleration.

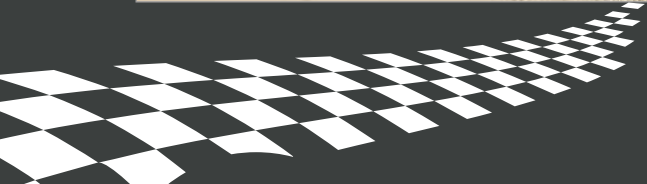

At a test track, this rugged buggy rocketed from zero to 100 kph in just about 3.9

Thierry Boutsen - Cedric Boutsen

BOUTSEN
Classic Cars

Boutsen Classic Cars was founded in 2018 by F1 legend Thierry Boutsen. Based in Monaco, it is the latest company to join the Boutsen Group.

With a unique international network provided by Thierry's history in motor racing as well as its Business Jets company Boutsen Aviation, the firm specializes in the sourcing, acquisition and sale of historic cars from the 50s to the 90s for discerning collectors.

With a passion driven team and an extremely high competitive spirit, Boutsen Classic Cars provides an exclusive representation worldwide and manages all the aspects of the transactions. Global inventory comprises selective road and race cars, with legendary history.
